City: _____ Postal Code: _____

Phone (home) _____ Alternate Phone: _____

Email Address(es): _____

/we approve sharing of my email addresses with other gardeners [check for Yes]

Emergency Contact Information:

Name: _____ Relationship: _____

Contact #: _____

A plot fee of \$45 for a full plot (4' by 8')/\$25 for a half plot (4' by 5') is required before the plot can be assigned.
This fee will go toward expenses of the community garden (water bills, community tools, reserve fund, etc.)

A clean up deposit of \$20 for a full plot (4' by 8')/\$10 for a half plot (4' by 5') is required for new gardeners before the plot can be assigned. The clean up deposit will be returned when you give up your plot provided you have removed all your plants and tidied your plot.

Expected participation in running the garden. There will be a series of communal workdays throughout the gardening season to help with the maintenance of the garden. Attendance at three of the workdays is expected, or you may send a proxy. If you are not able to attend, please let the committee know, and we will find a task that can be done on your own. It is also required that we always keep our plots and surrounding areas free of weeds.

I acknowledge that I have read the Garden Rules, and the list of meetings for the current gardening season, and that I must participate in the running of the community garden to guarantee keeping my plot for next year.

Signature(s): _____ Date: _____

How will my personal information be used?

The information you have provided is legally required by the Church as landowner, will be kept confidential and will only be used for community garden business. Your contact information (mailing address, phone number, email address) will not be shared with any outside parties or with other garden members unless specifically requested by you in writing. Your first name and your garden plot assignment will be shared with fellow community gardeners. If you have any questions or concerns, you can bring them to the St. Barnabas Community Garden Committee.
